LinkedIn: <https://www.linkedin.com/in/shiva-sharan-shrestha-714899259>

Location: Tripureshwor, Kathmandu

## Professional Summary:

I am a motivated Bachelor of Computer Applications (BCA) student with a strong foundation in web development, including HTML, CSS, and Java. I am currently learning React to improve my skills and keep up with modern web technologies. I enjoy working on projects, and I have gained hands-on experience in building interfaces. I am looking for opportunities to apply my skills in real-world projects and learn more through internships or entry-level roles.

## Education:

- Completed Plus 2 in the Humanities faculty at Sagarmatha Multiple College
- Bachelor of Computer Applications (BCA)  
Nepal Mega College, Kathmandu, Ongoing  
Relevant Coursework: Web Development, Programming Fundamentals

## Skills

- Web Development:  
Proficient in HTML and CSS for building responsive and user-friendly websites.  
Experience with React to create dynamic and interactive web applications.
- Programming:  
Basic knowledge of Java and for developing scalable applications.
- Content Management Systems:  
Hands-on experience with WordPress, including theme customization and content management.
- Other Skills:  
Quick learner, detail-oriented, and a strong team player with excellent communication skills.

## Certifications & Training

- React Training: Completed a course in React, gaining practical knowledge in building dynamic web applications.

- **Technical Skills:** Proficient in HTML, CSS, and WordPress (no formal certification, but hands-on experience in web development).
